# 2021-2022 Priorities

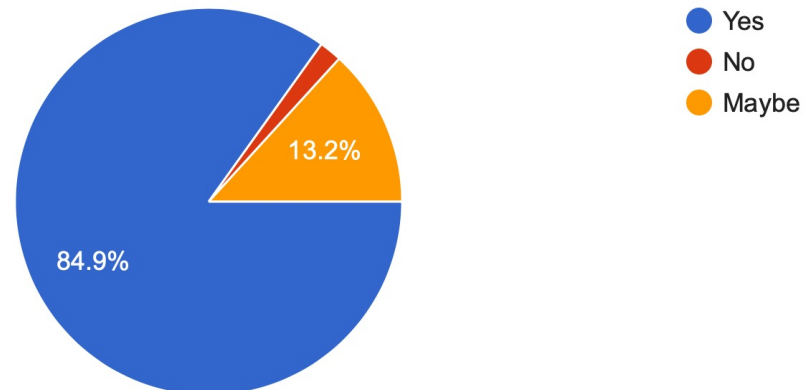

I agree with the four school priorities for 2021-2022: Emotional Health and Wellbeing, Spelling, Mental Maths and Thinking Skills.

53 responses

My child is making some progress in the areas listed above.

# Comments related to previous slide:

Strengths:	Areas for Development:	Actions:
<ul style="list-style-type: none"><li>• Very good staff and teachers 100%</li><li>• The boost programme has beneficial for my child. She had her 1st Zoom meeting yesterday to support her learning at home</li><li>• The school are going above and beyond to help my child. Couldn't ask for anything more.</li></ul>	<ul style="list-style-type: none"><li>• Although I see a steady improvement, I think P2 have missed a lot of fundamental learning with the lockdown in P1 and the nursery setting. I feel a 'Boost' like programme would be beneficial to the children if funding was available for this. As a parent I would be happy to support any additional learning.</li><li>• Emotional health and well-being: if a teacher who does not normally take a class has to step in to cover, they should first of all take note of which children have additional/special needs.</li></ul>	<ul style="list-style-type: none"><li>• P2 interventions are being addressed by the Engage Programme, daily, 3 days a week. Extra assistants are deployed to P2 when available to support learning.</li><li>• All teachers have made a 'Know my Class' leaflet which is given to any sub teacher. Should you have a complaint please do not hesitate to phone school.</li></ul>

- COMMUNITY LINKS

I am kept informed regularly by Hollybank.
