

Dear Parent,

The issues regarding the spread of Coronavirus are being well documented in the media. We are conscious that it is a situation that is changing daily, and regular updates whilst keeping you informed may also lead to speculation and alarm. We want to assure you that we as a school are doing what we can to minimise the risk to your children. The safety and wellbeing of our pupils is paramount.

At this critical time, I would ask for your cooperation in keeping your child off school should they be unwell. Childhood illnesses spread very quickly due to their close contact within the school setting. It is therefore essential that children should not be sent to school if they have the following symptoms:

- A persistent cough
- A high temperature/fever
- Flu like symptoms/ heavy cold
- Vomiting (They should remain at home for 24 hours after the vomiting has stopped)
- Diarrhoea (As with vomiting, 24 hours after it has stopped)

School has ensured all classes have received instruction on hand washing and disposal of used tissues. Cleaning staff have been briefed on ensuring all touch points such as handles, light switches, desktops etc are sanitised thoroughly, and soap in the toilets is replenished regularly. Assemblies have been cancelled as have all sporting events and group gatherings. Our text system and website will be used to inform you of further changes as the situation evolves. I urge everyone to follow the Public Health Authority guidelines to minimise the spread of this virus.

Should we be informed of a school closure, all parents will be notified via text, Seesaw and the school website so **it is vital that we have your current mobile numbers, and all parents join Seesaw and download Schools NI App**. Should the Department of Education instruct us to close, all children will have received a home learning code, and a folder of work which will last them for two weeks. Once this work is complete, If possible, they should access the app, where teachers will have uploaded activities for them to complete.

Should you wish to contact staff in an emergency or if you have an urgent query, you can message on Seesaw or email using the following address:

A non-exhaustive list that might help those affected by school closures due to coronavirus, compiled by home educators.  
Feel free to share.

Khan Academy

<https://www.khanacademy.org>

Especially good for maths and computing for all ages but other subjects at Secondary level. Note this uses the U.S. grade system but it's mostly common material.

BBC Learning

<http://www.bbc.co.uk/learning/coursesearch/>

This site is old and no longer updated and yet there's so much still available, from language learning to BBC Bitesize for revision. No TV licence required except for content on BBC iPlayer.

Futurelearn

<https://www.futurelearn.com>

Free to access 100s of courses, only pay to upgrade if you need a certificate in your name (own account from age 14+ but younger learners can use a parent account).

Seneca

<https://www.senecalearning.com>

For those revising at GCSE or A level. Tons of free revision content. Paid access to higher level material.

Openlearn

<https://www.open.edu/openlearn/>

Free taster courses aimed at those considering Open University but everyone can access it. Adult level, but some e.g. nature and environment
