

PLEASE BE AWARE AT TIME OF PRINTING, SCHOOL REMAINS OPEN.

Dear Parent,

After consultation with the Governors, it has been agreed to close school on Friday 20th March, to facilitate the staff preparations for the possible long term school closure.

School is open on Thursday 19th March but if you are concerned about any signs of illness please keep your children off.

We will be open as normal on Monday unless directed otherwise. All updates will be communicated to you via text, Seesaw and the school website.

Yours sincerely,

Miss L Brett

Principal
