OF 95%.

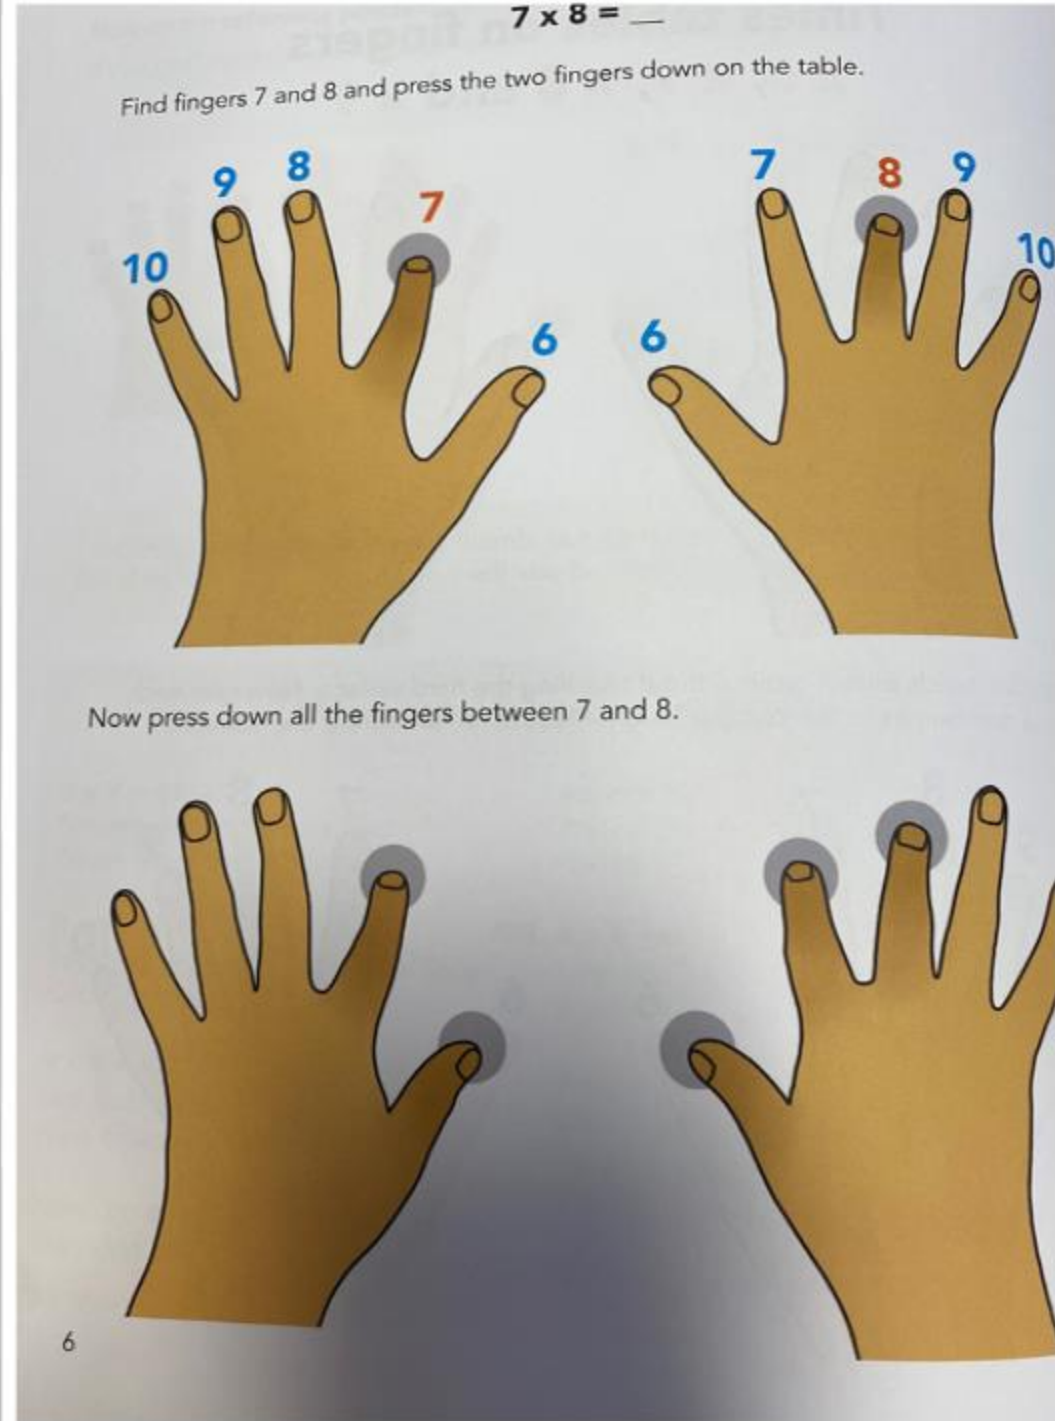

SPELLING TIP OF THE WEEK

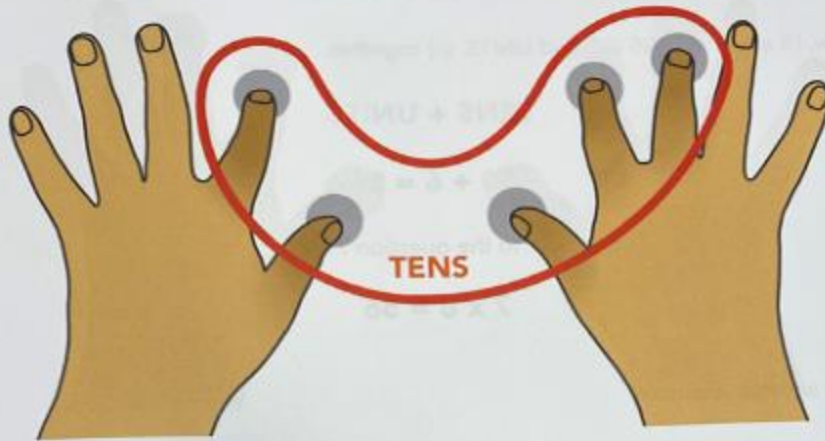

MENTAL MATHS TIP OF THE WEEK

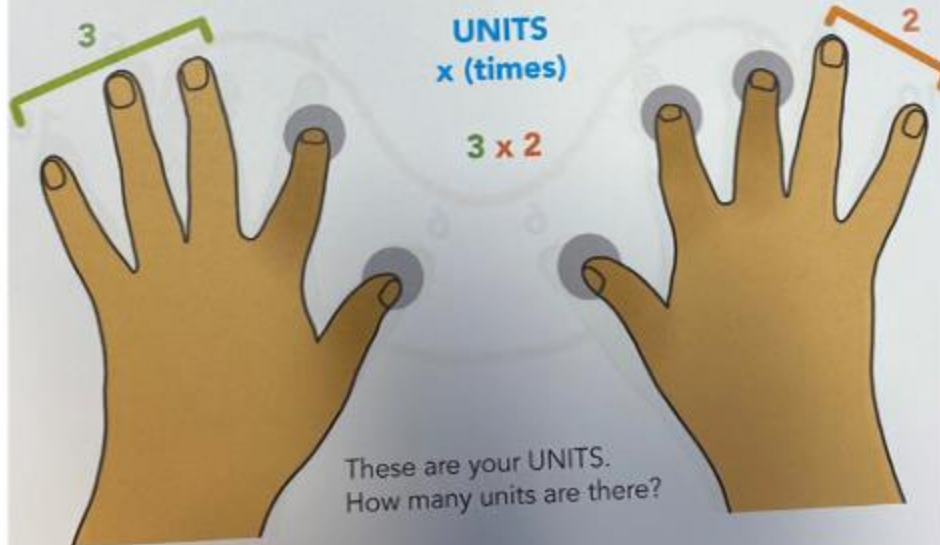

MENTAL MATHS TIP OF THE WEEK

These are your TENS.
How many tens have you got in front of you?

There are 5 tens: $5 \times 10 = 50$
We will come back to the 50. But what about the remaining fingers in the air?

These are your UNITS.
How many units are there?

I have 3 fingers in the air on one hand and 2 on the other. I will multiply them.
 $3 \times 2 = 6$

Now, I'll add the TENS (50) and UNITS (6) together.

TENS + UNITS

$$50 + 6 = 56$$

The answer to the question $7 \times 8 = \underline{\quad}$ is

$$7 \times 8 = 56$$

$$\begin{aligned} &= \lim_{h \rightarrow 0} \frac{x^2 + 2xh + h^2 - x^2}{h} \\ &= \lim_{h \rightarrow 0} \frac{2xh + h^2}{h} \\ &= \lim_{h \rightarrow 0} h(2x + h) \end{aligned}$$

Music Tuition

We sent a survey to parents about music tuition for 2022-2023.

Thank you to all those parents who completed the survey, it seems strings is the most popular option, so we will be offering lessons, next year, to those pupils who have signed up.

Lessons begin at P4, and we hope to extend the service if it remains popular with pupils.

Please help us support Ukraine, any donation on Eduspot will help.

Leaving everything behind, people are fleeing conflict in Ukraine. They need shelter, food and water.

TOPSY TURVY THURSDAY

ON THURSDAY 17TH MARCH, PUPILS ARE INVITED TO PARTICIPATE IN TOPSY TURVY THURSDAY.

- *WEAR UNIFORM BACK TO FRONT/ INSIDE OUT
- *WEAR ODD SOCKS/ SHOES
